

Arthur Garcia

San Antonio, TX | (210-569-4099) | garciaarthur1127@gmail.com | www.linkedin.com/in/arthur-garcia-938535236

Profile

Dedicated and self-motivated professional with a proven record of accomplishment of overcoming challenges and achieving goals. Possessing an unwavering commitment to personal and professional growth, I thrive in dynamic environments where resilience is paramount. With a strong ability to adapt to change and bounce back from setbacks, I excel in high-pressure situations and consistently deliver results beyond expectations.

Experience

• **Technical Training Specialist StandardAero:**

- Conducted one-on-one coaching sessions for underperforming employees to improve their technical abilities.
- Reduced downtime during system upgrades by providing timely and thorough training on new processes and technologies.
- Boosted team efficiency with customized group training sessions tailored to specific departmental needs.
- Collaborated with subject matter experts to ensure accurate, up-to-date content in all training materials.

• **Apache Helicopter Mechanic:**

- Efficiently managed multiple repair projects simultaneously, prioritizing based on urgency and impact on mission readiness.
- Implemented safety protocols while working on live electrical systems, minimizing risks associated with accidents or injuries during maintenance tasks.
- Improved aircraft reliability by conducting thorough inspections and identifying potential issues in Apache helicopters.
- Managed inventory of tools and parts, ensuring proper storage and availability for timely repairs. Increased efficiency in repair times through meticulous organization of workspaces and adherence to maintenance schedules.

• **Autobody Mechanic Assistant:**

- Assisted in ordering parts from vendors, ensuring availability of materials for upcoming jobs.
- Provided excellent customer service by answering questions and addressing concerns in a professional manner.
- Assisted in diagnosing complex mechanical issues for accurate repair recommendations.
- Completed thorough inspections of new vehicles upon arrival at the dealership, identifying any potential issues before sales.
